**REQUEST FOR CERTIFICATE OF CORRECTION**

Sir:

The Applicant requests that a Certificate of Correction be issued under 37 CFR 1.322 for U.S. Patent 6,847,820 issued to Hagertorn *et al.* on January 25, 2005. The claims of the issued patent contain a number of typographical errors introduced by the USPTO. These errors are not present in the set of replacement claims submitted by the Applicant on August 3, 2004 in response to an Office Action dated April 5, 2004.

While some of these are clearly typographical errors, others (such as "commutations" and "interface") may lead to a misunderstanding of the scope of the claims.

Respectfully submitted,
